Kline Tower renovation project: Mid-April to early June 2022 logistics modifications

A 450-ton hydraulic crane on site from April 18 to early June 2022

May 2 to 6 and May 24 to 27, 2022:
- Use exterior east entrance to the pavilion, STEEP, and Marx Library, while northwest and southwest entrances are closed.
- Closure of the northwest and southwest entrances to the Pavilion, STEEP, and Marx Library. The vestibule area will also be barricaded off.

April 18 to 22, 2022:
- Intermittent closures on the east side of Prospect Street and part of sidewalk. One-way traffic and pedestrian routing will be maintained. There will be another intermittent closure for one week in late May or early June.
